The Division of Labor Standards requests your participation in our Prevailing Wage Survey. Surveys are conducted throughout the year to determine the prevailing wages paid to construction workers in all Missouri counties and the city of St. Louis. Your responses to this survey are your opportunity to participate in establishing the state's prevailing wages.

Please complete the survey form on the other side according to the below instructions. Complete all spaces on the form or indicate "N/A" for not available where appropriate.

- 1) Indicate the dates when the work was performed.
- 2) Indicate the type of construction – BUILDING (sheltered enclosure with walk-in access for the purpose of housing persons, machinery, equipment or supplies) or HEAVY (antenna towers, channels, levees, pipe lines, sewers, etc.) (See 8 CSR 30-3.040). Hours worked on residential construction (single family homes or apartment buildings of less than four stories) and general maintenance should not be included in this survey. Accordingly, wage data for ALL commercial construction SHOULD be reported. Wage data for residential construction and general maintenance work should NOT be reported.
- 3) Provide the location (city and county and/or highway and county) for each project you are reporting. Each project should be reported on a separate form. If you require additional forms, please contact our office at 573-751-3403 or [prevailingwage@dolir.mo.gov](mailto:prevailingwage@dolir.mo.gov) or download the form from our website at [www.dolir.mo.gov/ls](http://www.dolir.mo.gov/ls). You may make additional copies as you require.
- 4) Please report only wages and fringe benefits paid for actual hours worked. We cannot accept wage information that is estimated or is an average.
- 5) Indicate the total number of employees and their hours worked in each occupational title. This must be consistent with the occupational titles identified in 8 CSR 30-3.060 (i.e., carpenter, plumber, laborer, operator, etc.). Multiple hourly rates paid to workers require a separate line for each occupational title and rate. These occupational titles apply to mechanics and laborers. They should not include apprentice, superintendent, supervisor or foreman classifications. Working foremen are considered journeymen and should be reported at the journeyman hourly rate.

Wage rates submitted should only be for journeyman work. Employees should be reported at the journeyman rate. Any employee who receives wages higher than the journeyman rate can be reported at the journeyman rate only if they are a supervisor or foreman working with the tools. Only include hours spent working with tools.

- 6) In the space provided, include the printed name, title and signature of the person preparing this report.

Thank you for participating in this wage survey. We encourage you to continue to participate by periodically submitting additional reports. If you have any questions or suggestions, please contact us at 573-751-3403 or [prevailingwage@dolir.mo.gov](mailto:prevailingwage@dolir.mo.gov).
